Chemistry - Honors	
Civics - Seminar	
Psychology - Honors	
<i>Students sign up for 3 courses to attend CC in the afternoon. #AP Seminar will be offered if there are enough students to make a section.</i>	

Sophomores can explore Advanced Placement options at the Career Center in the afternoon. They can also get a head start on earning their AP Capstone Diploma by enrolling in AP Seminar (*more info about AP Capstone on the CC website*). By attending in the afternoon, students can use the existing bus service to get to and from their home schools.

Afternoon sophomores will take 4 classes (A/B day) at their home schools in the mornings. At lunchtime, they will transition to Career Center by bus for 3 classes in the afternoon. Students will return to their home schools at 3:10 by bus in order to participate in activities or catch the bus home.

Career Center is THE High School for Advanced Placement courses!
