

# JAPANESE I

## Description

Learn the basic Japanese through interpersonal communications, reading, and writing of the three types of Japanese alphabet systems: Hiragana, Katakana and Kanji. The class instructional learning style is cultural based with hands-on learning, drawing, singing and occasionally dancing.

## Special requirements

## Student costs/Materials to be supplied by students

## Other information

The culture of Japan is studied bi-weekly through various sources, hands-on activities, and watching videos.
