- What transportation options are available
- Complete course descriptions & prerequisites

<p>Our history...for over 40 years, Career Center has served as an extension of the regular high school program. Students maintain their affiliation with their home high school while completing Career Center courses. CC offers a challenging academic environment and unique learning opportunities.</p>	<p>Our atmosphere...is unique. Students interact with other students from all across the county. We provide a college-like atmosphere and have high expectations for students' academic performance and social interactions. We encourage students to challenge themselves each day.</p>
<p>Our teachers...bring rich and varied experiences to their classrooms. Many of our AP teachers serve as College Board consultants. Our Career Technical Education teachers bring experience as masters in their industry.</p>	<p>Our students...take preparation for their future as a serious quest for knowledge, proficiency and skill. They are challenged by their peers and their instructors to do their very best. CC students enjoy high level accomplishments and achievements.</p>
<p>Our location...at 910 Highland Court on the Kennedy Campus on the corner of Martin Luther King, Jr. Drive and Highland Avenue. Career Center is centrally located to allow easy access to students from across Forsyth County. Bus transportation is provided from each high school at various points in the day, and students' schedules are created to facilitate transportation and other scheduling needs.</p>
