School-Parent/Family-Student Compact

7th Grade
2022-2023

Mission- Wiley Magnet Middle School will inspire students to become responsible leaders through real-life learning situations.

Vision- “Wired” for Success: Wiley students are Innovative, Responsible, Engaged & Driven.

What is a School Compact?

A School-Parent/Family-Student compact is an agreement that parents, students, and teachers develop together. It explains how we will all work collaboratively to make sure all our students reach or exceed grade-level standards.

District Goals:

Goal 1: WS/FCS will raise student achievement, close achievement gaps and enable all students to take ownership of their learning.

Goal 2: WS/FCS will eliminate barriers so that factors of achievement predictability do not impact students' equitable access to learning opportunities. WS/FCS will provide quality instructional facilities and learning environments for all students.

Goal 3: WS/FCS will build and strengthen partnerships and communication with families, local businesses, educational organizations, community agencies and advocacy groups in order to engage families and community stakeholders in the entire educational process for all students. Goal 4: WS/FCS will recruit and retain a highly effective and diverse workforce that supports district goals to ensure excellence for all.

Goal 5: WS/FCS will foster an inclusive climate that values the safety and well-being of all students, faculty and staff and foster an environment that creates a sense of belonging.

Wiley Goals:

To increase grade level proficiency on the math end of grade test for the students with disabilities (SWD) subgroup from 5.7% to at least 10%.

To increase reading grade level proficiency on the end of grade test for students with disabilities (SWD) from 11.2% to at least 15%.

To increase grade level proficiency on the reading end of grade test for the Hispanic subgroup from 28.2% to at least 40%.

To increase math grade level proficiency on the math end of grade test for the Hispanic subgroup from 25.2% to at least 30%.

Purpose of Title 1

Title I, of the Elementary and Secondary Education Act (ESSA), is a federally funded program that provides financial assistance to local education agencies (LEAs) and schools. The purpose of the Title I program is to help at-risk students meet the state's challenging academic content and performance standards. Schools qualify for Title I funds based on economic need. The Title I program offers a variety of services for participating schools, which may include additional teachers and support staff, extra time for instruction, a variety of teaching methods and materials, smaller classes, and additional training for staff.

Wiley Curriculum:

Wiley is a STEAM Magnet School, where Science, Technology, Engineering, Art, and Math drive instruction.

Wiley teachers utilize North Carolina Standard Course of Study for math and reading, the North Carolina Essential Standards for science and social studies and the North Carolina Standard Course of Study for core courses to guide our instructional planning and curriculum decisions. Additionally, in the English as a Second Language classes, teachers utilize the WIDA standards to design instruction to meet students' needs. Wiley supports students with diverse needs. Wiley also serves students with various exceptionalities including sensory impairments and cognitive needs.
