

Intent to Graduate Early

Name of Student _____ Projected Graduation Date _____

- I intend to graduate from high school in **January of my senior year**. I understand that:
- Effort will be made to fit my remaining required classes into Fall semester, but there is no guarantee that this can be arranged.
 - If I decide after school starts that I do want to come back to Reagan for second semester, I can enroll in classes only as space allows.
 - I will not be allowed to participate in school related co-curricular activities (including but not limited to athletics, dance team, cheerleading, etc.)
 - It will be my responsibility to check the senior web site and to keep up with a classmate to stay aware of deadlines and events during second semester.
 - I am responsible for paying Senior Fees (outlined below), *even if I do not intend to walk at graduation*.
