Walkertown High School adheres to all school board policies, state policies, and regulations as outlined in the Winston-Salem/Forsyth County 2020-2021 Student-Parent Handbook.

Dear Walkertown Students and Parents,

Welcome to Walkertown High School, home of the “Wolfpack.” It is indeed a pleasure to welcome all our returning students and our new students to the 2020-2021 school year! The teachers and staff at Walkertown are committed to providing high quality educational opportunities for all students within a setting that nurtures academic, social, and emotional growth. Our goal is to challenge students intellectually, grow them socially, and guide them toward independent thinking and problem solving. As we strive to promote healthy development in all aspects of each student's life, we also strive to develop a student body of good character; students who make good choices and decisions resulting in successful and healthy outcomes. We encourage students to demonstrate the best of themselves every day and to make positive contributions to the groups and organizations to which they belong. We strive to instill within Walkertown’s student body a sense of personal pride as well as collective pride for our school.

The mission for Walkertown High School is to provide students with a productive learning environment that encompasses high expectations for each student. Learning is a shared responsibility involving parents, students, teachers, and community members. Together we will provide a successful environment, which enables teachers to teach and students to become lifelong learners. Our mission is not only to educate each and every student, but also to better prepare him or her for the world beyond Walkertown High School. In order for all children to succeed at the highest levels of their potential, we believe a strong relationship between the home and school is necessary. We encourage parents and community volunteers to take an active role in our school. We believe that when the community and school work together, high expectations for student achievement will be attained.

Misty Walker

Walkertown High School Parents

Please carefully read the school district policies about attendance. We want to note a couple of very important items for your high school student(s).

- Absence notes should be brought to the front office staff on the **first** day your student is back following an absence.
- Our principal can require doctor's notes (or other 3rd party documentation) at any time during the school year in order to have an absence excused. We know students don't have to go to a doctor each time they are ill, but if they are sick a lot, it would be reasonable to expect a doctor's visit would have taken place.
- If your student misses 5 or more class periods in a quarter - excused or unexcused - they may be in danger of losing credit for the course even if they have a passing grade.
- A parent or other approved person on the child's contact list must be present to sign out a student. If the student drives, they must provide written documentation regarding their sign out from a parent or guardian. This must be brought to the office prior to the beginning of the school day for verification and the student must sign out in the office.
- Students are often surprised to learn how absences can affect athletic eligibility and parking privileges. Parking privileges may be lost when the student accrues 10 absences - excused or unexcused. Athletic eligibility will be revoked if the student is absent 10 or more days in a semester.
- Please be sure that all notes contain the student's name, your name, and a phone number where we may reach you for confirmation.

Thank you for your help in making your student's experience at Walkertown High a great one.

C. CLASS RANK

1. Class rank, based upon the class, is used to determine honors and awards. It is primarily used by college and university admissions officers; it should reflect the academic quality of a student's high school work in relationship to the work of his or her classmates.
2. Class rank is based on a student's average quality points per unit of work taken.
3. Rules for determining class rank:
 - a. Class rank shall be computed at the end of each semester.
 - b. The computation will include quality points earned from grade 9 to the time when the ranking is compiled.
 - c. The computation will include all quality points or grade points earned from grade 9 to the time when the ranking is compiled. Grades for all courses shall be used in computing both the quality point and grade point average. The quality point average will be the total of all quality points earned divided by the number of credit units taken. The grade point average will be the total of all grade points divided by the number of credit units taken.
 - d. Students will earn PASS/FAIL grades for credit-recovery courses. The PASS/FAIL grade and the previously earned F will both be recorded on the transcript. Students will no longer earn grades of A-F for credit-recovery courses taken through summer school and/or Edgenuity.
4. A course may be repeated when it is required for graduation or the student seeks to improve their performance. When a student repeats a course, the new course grade shall replace the previous grade for the course and the new grade will be calculated into the GPA/QPA.
5. Course credit will be granted only once.
6. Grades earned in pre-approved correspondence courses, courses at the Career Center, Main Street Academy, or "credit" courses taken at Forsyth Technical Community College in accordance with the "Dual Enrollment Policy" shall receive a quality point value determined by the High School Division.
7. Courses taken in another school system will be evaluated by the counselor enrolling the student, subject to the approval of the Principal. The appropriateness of the course for meeting state graduation requirements, unit value, and curriculum level may be determined by course syllabi and/or the level of courses the student is registering for in this school system.
8. A copy of the student's official transcript from the previous year must be retained as part of the cumulative record.

HOW CLASS RANK IS RECORDED/REPORTED:

1. Class rank shall be recorded and reported in descending numerical order from the student who earned the highest quality point average (QPA) to the student who earned the lowest quality point average. Both quality point and grade point class ranks will be recorded on the transcript. Only quality point rank is recorded on the transcript.
2. Class rank will be computed using two methods. Two ranks will be issued to students, one based on quality point average (QPA) and one based on grade point average (GPA).
3. Quality Point Average Method (Weighted) Courses are weighted in figuring quality point average and calculating class rank. Quality points will be awarded for grades as specified in the chart below.
4. Grade Point Average Method (Unweighted)
5. Final grades in all courses (special education, basic, regular, academically demanding, honors, and Advanced Placement) will be interpreted on a 4-point scale:

Unweighted (GPA)	Letter Grade	Standard		
Grades: 9-12	A	4		
	B	3		
	C	2		
	D	1		
Weighted (QPA)	Letter Grade	Regular	Honors	AP/College Courses
	A	4	4.5	5
	B	3	3.5	4
	C	2	2.5	3
	D	1	1.5	2

- **Class Rank will be determined by dividing the total number of grade points earned in grades 9-11 by the number of courses attempted yielding a grade point average (GPA). The student with the highest GPA will be ranked highest in the class.**

III. DROPPING AND ADDING COURSES

1. Course drop/adds can only be carried out through the Office of Student Services via the appropriate counselor; a student must not expect to be dropped from a course by not attending the class.

2. The possibility of granting drop/adds is limited by the availability of classroom space, student needs and graduation requirements.
3. Therefore, any course dropped must be replaced by another course.

IV. ATTENDANCE POLICY AND PROCEDURES

ATTENDANCE POLICY

1. There is no substitute for uninterrupted instructional time in the classroom where learning experiences are carefully planned by the teachers.
2. Even though students may make up class work missed because of absences, they will not be able to replace the educational, cultural, and social contacts which they would have experienced through face-to-face instruction and class participation.
3. Students with good attendance generally demonstrate higher levels of learning than those with poor attendance.
4. By law, regular, punctual, daily attendance is expected of all students under the age of 16.

Absences Classified:

1. **Excused:** Absence is excusable only for the following reasons: personal illness, accident, serious illness or death in the immediate family, dental or doctor appointments, court proceedings, educational opportunities, and religious observances.
2. **Unexcused:** In accordance with the Compulsory Attendance and the Attendance Regulations adopted by the State Board of Education, an unlawful absence (sometimes referred to as an unexcused absence) is defined as "a child's willful absence from school without the knowledge of the parent, or a child's absence from school without cause with the knowledge of the parent."
3. **Pre-arranged Absences:** Upon the request of a parent or guardian, preferably made in writing and in a reasonable period of time in advance of the absence, the Principal may excuse a student's absence for a good and substantial cause in addition to those listed in "A" above, with one exception: secondary school students may not be granted "prearranged absences" for any cause other than those listed in "A" above during the last ten days of the school year.
4. **School Related:** A student shall be recorded present for any day that he is present at a place other than the school with the approval of the Principal for the purpose of attending a school activity which has been officially authorized under the policies of the board of education of the school administrative unit. This may include field trips, athletic contests, music festivals, student conventions, and similar activities
 - a. If a student is absent from school for any other reason, it is necessary to give prior notice to the school and obtain advance assignments. The notice must be in writing from the parent or guardian.
 - b. The principal has the authority to determine the legitimacy of any absence.

- c. When returning to school from an absence, the student is required to bring a dated written excuse from the parent or guardian giving the exact reason and date of the absence.
 - d. Absentee excuses must be submitted to the main office.
 - e. All absences are considered unexcused until a note is brought from home, signed by a parent or guardian.
 - f. The absence will be coded unexcused if a note is not received within three (3) days of the absence.
 - g. Mrs. Harkrader will give the student a note (excused/unexcused) for the classes missed. The student will be responsible for showing the note to his/her teachers at the next class meeting.
5. If a student must leave school during the academic day, the student must be signed out of school in the office by a parent/guardian or a designee of the parent/guardian.
 - a. If a student drives to school he/she needs to bring a note to the office before school, signed by a parent/guardian with phone number to verify that student is allowed to checkout.
 - b. Students must report to the office to sign out before leaving.
 6. A student that is absent only in the morning must get an admit slip from the office before he/she can be admitted into his/her class.
 7. If a student is signed out before 12:15 PM and does not return to school, the student will be counted absent.
 - a. Therefore, a written excuse will be necessary.
 8. Students must be present 50% of the class period to be counted present.

The above is a summary of WS/FC Schools Board of Education Administrative Regulation 5110.

EXCESSIVE ABSENCES

Students are expected to attend school regularly in order to achieve academic success.

1. If a student has more than five (5) absences from a class during any quarter (10 per semester), he/she may receive a grade of F.
2. If the student is absent or expected to be absent for three (3) or more consecutive days (regardless of whether the absence is due to illness, accident, or some unusual circumstance), it is the responsibility of the parents or guardians to notify the school and explain the causes of the absence.
3. Questions concerning excessive absences will be referred to an administrator.

Cumulative Absences and Denial of Course Credit:

According to **WS/FC Schools Board of Education Administrative Regulation 5110**, Section V, if a student in grades 6 through 12 is absent from school or any class five (5) times, {three (3) for the Career Center} during a grading period (***whether or not the absences are excused, prearranged, unexcused, or unlawful***), the teacher shall notify the Principal's office and the Principal or designee shall notify the student's parent, guardian or custodian the student's absences have become excessive.

Right to Appeal Denial of Course Credit.

1. If a Principal denies a student credit for any hours due to excessive absences (more than five (5) per grading period (three for the Career Center) or ten (10) per semester), the student and/or his parents or guardians may request a conference with the Principal to appeal the denial of course credit.
2. The student and/or the student's parents or guardians may appeal from the decision of the Principal to the Superintendent and the Board in accordance with the WS/FCS Board Policy 5145, Parent and Student Grievance Policy.

ATTENDANCE WAIVER INFORMATION

1. The administration, counselors, and the school social worker are working to help students and parents understand the importance of attendance and how that relates to academic achievement.
2. Any student who misses 5 or more days in any class will be placed on an Attendance Contract. Students and parents/guardians will receive a conference or a phone call if they were given a contract.
3. Administrators and counselors will check attendance of all students throughout the year for other students that are coming close to having 5 absences.
4. The same contract procedure for additional student crossing into the danger zone will be applied.
5. In order for Walkertown High to continue to stress the importance of attendance, the administration has developed a committee to process Attendance Waivers for students who have excessive absences *BUT* are earning a passing grade in your class.

MAKE-UP WORK

1. Students are responsible for making up all work missed due to absences from school.
2. The student is expected to check with his/her teachers upon returning to school to find out about all missed assignments.
3. The student is responsible for making arrangements with his/her teachers to make up work either at home or after school.
4. A key element to any effective attendance policy is the provision for make-up work following an absent period.
5. Make-up work may be assigned when a student is absent, regardless of the reason for the absence (excused, prearranged, unexcused, or unlawful).
6. Make-up work may be specific material missed by the student during the absence or it may be of an enrichment or reinforcement nature.
 - a. "Make-up" procedures shall be established that will benefit the student and comply with instructional goals of the teacher and the school system.

- b. A parent or student may request make-up assignments for an absence of two or more consecutive days. Contact Student Services at 703-4152.
7. If a student is expected to be confined to his/her home and/or hospital for a period of four or more weeks due to an injury, illness, or other disability, the student's parents or guardians should be referred to a guidance counselor as soon as possible to obtain the service of a "homebound teacher."
8. In accordance with **WS/FC Schools Board of Education Policy 5110**, make-up work will be completed promptly.
 - a. Students will have one (1) day to complete make-up work for everyone (1) day absent.
9. Grades assigned to make-up work shall be considered in computing the student's overall grade for the particular grading period.
10. Failure of a student to satisfy make-up requirements can be the basis for denying credit for a specific course.
11. Students assigned Out of School Suspension by an administrator will be responsible for any work missed during such suspension.
12. Responsibility for completing all make-up work rests with the students.
13. Make-up assignments do not have to be the same as the work that was missed.
14. Failure to complete assignments will result in the student not receiving credit on each neglected assignment.

HOMEWORK

1. Students and teachers are focused on strategies to maximize learning and increase communication with the home.
2. Homework assignments are directed toward developing independent inquiry and self-study as well as long-range project work.
3. The amount of time needed to complete homework will vary day to day.
4. Honors level courses, special projects and test preparation may require more time. If your child is absent from school for two or more consecutive days, we encourage you to contact your child's teacher either by email or phone to get the required makeup work as well as check for assignments on the teacher's website.
5. **You are also invited to contact the Student Services office at 703-4152 to request assignments.**
6. Assignments will be ready in the front office to be picked up by 4pm the day after the request has been made.

SIGNING OUT DURING THE DAY

1. It is the policy of the Winston-Salem/Forsyth County Board of Education that students may not leave the campus of the school to which they are assigned during the normal school day without prior approval of the Principal or the Principal's designee as explained in **WS/FC Schools Board of Education Policy 5131.2**.
2. Requests for early dismissal from school are to be submitted to the attendance secretary prior to 8:50 a.m. the day of the request.

3. All such requests must bear the signature of the parent or guardian and the telephone number where a parent or guardian may be reached, in order to verify and approve the early dismissal prior to the student leaving school grounds.
4. Any student who has an approved note requesting to sign out of school early will show the note to his/her teacher of the time he/she needs to leave class.
5. Leaving school without signing out is a violation of school board policy and will be treated as a skipping offense and leaving campus without permission.
6. Students are not allowed in the parking lot except when arriving and leaving.
7. The parking lot is an unauthorized area and is off limits to students during the school day.

Please limit the number of times your child checks out of school as they will be missing valuable instructional time.

2. Valid reasons for being late are circumstances beyond the control of the student, such as late school bus, or if a teacher, guidance counselor, or administrator detains the student.
3. Students must be in class on time to maximize instruction to limit interruptions.
