

WS/FCS Parent/Family Engagement:

Winston Salem/Forsyth County Schools Parent/Family Engagement Program ensures that Title I, Part A parent and family engagement regulations are met with meaningful and strategic actions to build parent/family and school staff capacity as mandated by the Elementary and Secondary Education Act (ESSEA) of 1965, as amended by the Every Student Succeeds Act (ESSA) of 2015. Schools and districts must ensure that strong strategies are in place to: 1.) Build capacity to engage parents/stakeholders in an effective partnership with the school; and 2.) share and support high student academic achievement.

Title I School Requirements:

- Work with parents to jointly develop a written parent/family engagement policy/plan
- Distribute the parent/family engagement policy/plan to all parents and the local community
- Inform parents/families of the policy/plan and their right to be involved at an Annual Title I Meeting
- Offer flexible parent/family engagement meetings and family learning activities
- Involve parents/families in planning, reviewing, and improving school programs
- Work with parent/families to develop a school-parent/family compact that is designed to improve individual student academic achievement
- Increase opportunities for parent/family engagement in the school by helping parents/families understand academic expectations and assessments
- Provide materials and training for parents/families and school staff, to foster greater parent/family engagement
- Integrate activities with other federal and state programs

Title I Schools must notify parents/families:

- Concerning the school improvement status of their child's school
- Regarding information on the level of achievement of their child in each of the state assessments
- If their child has been assigned, or has been taught for at least four consecutive weeks by a teacher who does not meet the highly qualified definition.
- Their right to be involved in the planning and implementation of the Title I parent/family program in their school
- The parents' right to request and be provided with information regarding any state or local policy about student participation in any assessments
