

Service Club Application Part 2—Parent/Guardian Permission

Please realize that there is considerable time and effort required to participate in a service club. Students will need to have regular attendance and perform 10-15 hours of service each quarter depending on which club they choose to join. Although sponsors try to have club meetings occur when RJR offers free transportation home, families may need to provide transportation to some club events. Students need to remain in good academic and disciplinary standing during the year. Due to club overcrowding, students are not guaranteed admittance to their first choice club, although they ARE guaranteed admittance to one of the service clubs at RJR. Please read your student's application (part 1) and submit that you give permission for your student to participate in a service club at RJR.
