Team Rewards & Consequences

We have high expectations for student behavior. The Blue Devils will use the Falcon High Flyers Stamp Program to reward great behavior. Students who earn the required amount of stamp points and do not receive ISS or OSS for the quarter will be invited to attend a special field trip or event.

To help keep students accountable daily, the Blue Devils teachers will also use a ticket system. Each week, students who meet classroom and school expectations will be included in Freedom Friday in the cafeteria. Those who violate a school or classroom rule will receive a ticket for silent lunch and will miss the incentive.
