

Paisley students are required to complete community service each year to make a positive difference to the lives of others and/or to the environment. Their personal commitment to service exemplifies the IB Learner Profile trait **CARING**.

Students can volunteer with an organization or can do individual work around their own communities. There will also be opportunities to earn service hours volunteering at Paisley.

The hour requirement is as follows:

- Year I: 10 hours
- Year II: 10 hours
- Year III: 10 hours
- Year IV: 15 hours
- Year V: 15 hours

Students should log their hours regularly at [bit.ly/paisleyservice2223](https://bit.ly/paisleyservice2223)
