

Paisley students are required to complete community service each year to make a positive difference to the lives of others and/or to the environment. Their personal commitment to service exemplifies the IB Learner Profile trait **CARING**.

Students can volunteer with an organization or can do individual work around their own communities. Students will also be able to earn community service hours at school through their grade-level community service projects.

The hour requirement is as follows:

- Year I: 10 hours**
- Year II: 10 hours**
- Year III: 10 hours**
- Year IV: 15 hours**
- Year V: 15 hours**

Students should log their hours regularly at [bit.ly/2324communityservice](https://bit.ly/2324communityservice)
