College and Career

Early College of Forsyth (Grades 9-12): Co-operative/Innovative High School. Early College of Forsyth is a joint program between Winston-Salem/Forsyth County Schools and Forsyth Technical Community College. MCF students take courses at Forsyth Technical Community College and participate in a college application process. Successful completion requires students to apply for admission to Forsyth Technical Community College and to be certified through Magnet Schools of America.

STEM

Middle College of Forsyth (Grades 11-12): A high school located on the campus of Forsyth Technical Community College, MCF offers students the opportunity to take college courses while completing high school. Students who successfully complete required courses may remain for the remaining years which lead to the IB Diploma by entering Parkland Magnet High School after the 12th grade. Students may choose to complete their education at Forsyth Technical Community College and earn up to a year or more of transferable college credits. Students must submit an application and transcript, be invited for an interview and take college placement test for consideration. MCF is a collaborative project of Winston-Salem/Forsyth County Schools and Forsyth Technical Community College.

John F. Kennedy High (Grades 9-12): Accelerate your career and college plans in high school when you enroll in one of our academies and earn nationally recognized credentials! Kennedy has four pathways to success: Pre-Start Restaurant Management, Health Science, Pharmacy Technician, MCEER Construction & Design, and Creative Enterprises. In addition to meeting state curriculum standards for a high school diploma, students at Kennedy graduate with industry-specific credentials for the work world andrealized experiences to jumpstart their career plan. Each academy has a year-long project that immerses students in the academy’s field of study and helps students explore the career fields that they are interested in.

Winston-Salem Preparatory Academy (Grades 4-12): College Prep. Winston-Salem Preparatory Academy offers personalized instruction, small classes, an integrated curriculum and leadership opportunities throughout the community. The Academy is focused on college prep, career prep, and community. A supportive staff works to ensure that each student has a personalized learning plan that is aligned with their goals and aspirations. In addition, Pre-college programs are offered through Winston-Salem State University and North Carolina A&T. Support for College preparation is facilitated through community college partnerships, earned college credits and dual enrollment opportunities. Single courses and dual enrollment opportunities are a great option to explore different areas of study. The Academy offers both single courses and dual enrollment opportunities in various subjects including STEM, Fine Arts, Drama, and Business.

Magnet Application Process: Selection for a magnet school can be done online (see link on back cover), or at the selected school’s office. To be considered for admission, an application must be submitted during the application period. A couple of requirements provide additional information (noted by school).

Selection into our magnet programs is competitive and based on either a randomized lottery or individual school eligibility factors (noted by school).

For more detailed information about our magnet programs and the application process, visit our website. You will find application steps, Open House dates, frequently asked questions, and more.
