

# JES PTA

Jefferson Elementary School PTA

## INVEST IN OUR FUTURE with our Panther Partners Program

**The Jefferson Elementary School PTA is seeking Panther Partners**, local businesses who are eager to partner with our school and help us continue our efforts to support student learning, empower our teachers, celebrate our diversity, and enrich a sense of community within our student body and their families. With your help, we hope to continue our award-winning programs, support our amazing faculty and staff, and provide needed improvements to our JES infrastructure, like an All Abilities Playground.

**Jefferson Elementary School is unique.** We are a neighborhood school in the WS/FCS School System. JES is a public school that is the educational home to 578 students and 70 faculty members. We count ourselves fortunate to have a large group of students from different backgrounds and nationalities- at the current moment we have first or second generation students heralding from 63 countries at our school- and we work hard to instill a sense of pride in the cultures represented. Jefferson Elementary is classified as a Community Eligibility Provision School, which allows the nation's highest-poverty schools to serve breakfast and lunch at no cost to all enrolled students. We were proud to be named a National PTA School of Excellence for the 2022/24 School Year.

**Our Panther Partners create equity** by tapping into community resources beyond our parent population to sustain our work on behalf of our school. You are helping us support classroom needs and fund community events. Thank you for supporting this bright and vibrant educational community!

# Jefferson Elementary School Panther Partners
