

A decorative border of various black snowflake patterns surrounds the text. The snowflakes are of different sizes and designs, some with intricate branches and others simpler.

School Closing/Delayed Opening/Early Dismissal Information

For school closing, delayed opening, and early dismissal announcements please **DO NOT CALL THE SCHOOL.**

Tune your televisions in to any local (not satellite) television or radio channel (La Movidatz or Que Pasa) or the WS/FCS system channel. Do not look for “Kernersville Elementary School” on the listings. Look for “Winston-Salem/Forsyth County Schools” or “Forsyth County Schools” on the listings.

You may also sign up to receive text alerts on your cell phone from many of the local news channels (WXII12, FOX8, News2, etc.) by registering on their websites.

Closing/Delay/Early Dismissal information is also posted on our website. Go to www.wsfcs.k12.nc.us, click on Select School, then click Kernersville Elementary. A pop up announcement will appear IF there has been an announcement made by the school system.

We also use Twitter to share information with our parents. Our Twitter feed can be found under user name: **KES Elementary@KESElementary.**

Thank you in advance for your cooperation and help in keeping our phone lines free for urgent and emergency communications. Anyone who calls the school for this type of information will be directed to follow the above instructions.
