

East Forsyth High School Athletic Booster Club

The 2019-20 Athletic Booster Club (ABC) invites you to become a member in one of the most active support groups at East Forsyth High School. Our non-profit organization **supports, promotes and encourages** athletics for all Eagle sports. The Athletic Booster Club members (parents, coaches, student athletes and fans) have raised and dispersed over \$500,000 in recent years in the form of Scholarships, Recognition Banquets & Receptions, Equipment replacement and maintenance, Team travel expenses, Senior athlete gifts, Athletic signage & banners, Field Scoreboards....the list goes on & on. ABC contributes to 16 sports - Baseball, Basketball, Cheerleading, Cross Country, Eaglettes, Field Hockey, Football, Golf, Lacrosse, Soccer, Softball, Swimming, Tennis, Track & Field, Volleyball, and Wrestling, totaling 32 different teams including Men and Women, Varsity and JV.

General Fund financial support varies each year based on coaching staff requests. These however are a few of the constant funded projects that the ABC oversees each year.

- **Senior Scholarships** - Each year the ABC offers four \$750.00 scholarships to student athletes. These are only available to student athletes who are associated with a current family membership. A selection committee is assembled each year to review eligible applicants and scholarships are awarded on both academic and athletic merit. Applications must be submitted by student athletes based on published guidelines in order to be considered.
- **Recognition Events & Senior Gifts** - Banquets / receptions are held each year to recognize the accomplishments of all student athletes for the three sport seasons (Fall, Winter, Spring). All Senior athletes are also presented a East Forsyth Stadium Blanket for the dedication to their sport(s).
- **Concession Stands** - With the help of staffing by team parents, the ABC funds and maintains concessions for most events held in the stadium and Baseball fields. This project alone accounts for approx 25% of our annual budget.
