

Meet Your New EC Resource Teacher

Ms. Ann Ballard

I am a new Exceptional Children's Resource Teacher at Walkertown Elementary this year. I am starting my 20th year in Forsyth County Schools and have been a Resource Teacher for 8 of those years. My previous school was Kernersville Elementary where I was part of that staff since 2001. I have one dog named Charlie and a sassy cat named Luna. I enjoy hiking, swimming, reading, traveling, and spending time with my friends and family. I have two grown daughters that live in the Raleigh area. My oldest daughter Lindsey is a Dermatology Physician's Assistant (PA) in Durham and she is married to her husband Tanner. My youngest daughter Bonnie is starting her 2nd year of Law School at UNC Chapel Hill. I am looking forward to meeting my new students and the staff members as well. We will have a wonderful and exciting time growing together!
