

SIT Minutes

5-17-16

New SIT reps: First grade – Bunny Coates

Second Grade –Kami Ellis

Fifth Grade – Tom Hudnall

SDSA – School Data and Summary Analysis

CNA – Step 3

Looked at gaps in data: It was determined from data that we needed to focus on science and reading

Sub groups were lower

CNA due June 6

Review Goal 1 and Goal 2

Goal 2 Science – Need more strategies and they must be measureable

- May need teacher made documents for assessment
- Mystery Science is an option (does serve kindergarten and first grade)
- Mrs. Sams will work with a small group to work on goals and measureable strategies

School concerns:

Many concerns cannot be addressed until Mrs. Warren takes over the principal position.

Duty Free – Money used for duty free pays for staff, subs etc. If we have duty free money will have to come from other places such as paper, laminating, etc.

Departmentalizing – must wait on Mrs. Warren

Afternoon announcements – new approaches

Upstairs copier- constantly broken

Behavior – For CAN: What constitutes writing a D1
