

This e-mail is from Mr. McAbee, one of the Senior Sponsors. You can contact him at smcabee@wsfcs.k12.nc.us or check the Senior Day website <https://www.wsfcs.k12.nc.us/Page/108516> for additional information.

Senior Day on October 23 is one month away! By now, you should have already received three e-mails with order forms and general information. If you haven't received these, I have posted them on the Senior Day website. The website has been updated with sample order forms and instructions on how to pay online fees. I encourage you to check that page frequently over the next 30 days.

Today's e-mail has two new pieces of information.

First, I have created a tab on the senior webpage about graduation signs. I've also attached their flyer to this e-mail. This service is being provided by VIP Decals. For questions about or to order signs for your yard, please go to VIPdecals.com.

Second, the link to sign up for your October 23 time is now live. We are signing up by picture apparel to prevent delays during the day. You will find the form is divided into Tuxedos and Drapes. You are to sign up for the slot depicting your photo apparel. If you have questions, you can always contact a counselor or me.

<https://www.signupgenius.com/go/10C0A4AAAAA23AAFA7-senior1>

The sign-up link will be deactivated on Monday, October 19 at 4:00pm.

As we get closer, you'll get additional e-mails with information about the procedures your senior will need to adhere to on October 23. You will also receive information about a Zoom meeting one night where I will answer questions about completing order forms.

Have a great evening!
