

ACHIEVE YOUR DREAMS.

Join YMCA Latino Achievers.

In collaboration with Crosby Scholars, we are continuing our community outreach program that focuses exclusively on the Hispanic/Latino population in grades 6-12. Our goal is to spread the message of both Achievers and Crosby Scholars to promote a "post-secondary/college going culture" among Hispanics/Latinos in Forsyth County. We anticipate that outreach efforts will result in participation in both programs, and ultimately ensure that students graduate from high school and cultivate the necessary soft-skill development to explore post-secondary options.
