

## ***Online Payment for School Activities***

### ***Credit and Debit cards now accepted***

- Have you ever had to make an extra trip to school to pay a fee?
- Have you ever sent your child to school with cash or a check that they misplaced or forgot to turn in?
- Would you rather make a payment anytime from the comfort of your own home?

If you answered yes to any of these questions, please visit our new Online School Payment site where you can now pay student fees by debit or credit card anytime. All you need is access to the internet and your student's ID number (lunch number). If any questions, please call the Wiley Magnet Middle school office at 727-2378.
