ALPHABET CARDS

These alphabet cards are a great way to teach or review beginning sounds!

Print out the alphabet cards on white cardstock. I like to laminate them for added durability. These cards can be used in many different ways, such as flashcards, word wall labels, etc. You can also print off two sets and use them for a memory matching game.

I have included two "X" cards for you to choose from: x-ray and fox. Since there are no words that make the "x" sound at the beginning of a word, I have included a picture of a fox so the children can hear the sound "x" makes at the end of the word.

For more beginning sound activities, please be sure to visit my store and check out my other fun beginning sound products!
