

# Missing Student ID?

- Did you take a picture at Reynolds in the fall? If you didn't, we wouldn't have your id.
- Did you actually check with your homeroom teacher? Go do that first.
- If you answered yes to the above questions and still don't have your id, or **if your id doesn't have your correct name and face**, complete this form (QR) and we will try to get it to you.

# Still missing your school pictures?

**Check with your homeroom teacher first to make sure they don't have your envelope.**

If you already ordered photos and they aren't at the school, contact Strawbridge Photography so they can mail a new photo packet:

<https://www.strawbridge.net/contact-us/>

If you just want to see your proof, email Mrs. Stephanie Walters at [sbwalters@wsfcs.k12.nc.us](mailto:sbwalters@wsfcs.k12.nc.us) to get your unique code to use at

<https://www.strawbridge.net/>. Include your full name, grade, and id number.

**Mrs. Walters doesn't have copies of anyone's pictures. If your homeroom teacher doesn't have them, we don't have them at Reynolds, and you need to reach out to Strawbridge.**
