### Notes:

- **All final exams for block classes must be administered during the last five days of the semester (teacher-made and state exams).** *[Please note: teacher-made exams were administered outside the window in the past. We do not have that flexibility this year.]*
- **Midterms for A/B classes will be administered during regular class periods: January 13 – 19, 2023.** *[Please note: Career Center will administer midterms during the five-day exam window.]*
- Monday, January 16 is the Martin Luther King, Jr. holiday: No school for students and staff. Friday, January 27 is a teacher workday.
- Exam block times are based on the maximum testing time for English II, Math 1, and Math 3 EOCs: four hours of testing time (plus breaks, set up, directions, etc.). The Biology EOC and the CTE exams are shorter. Schools will need to schedule lunch periods within the exam blocks.
- **Exam exemptions are not available for EOC and CTE tests.** For the 2022-23 school year only, the attendance requirement for exemptions for teacher-made exams has been reinstated (AR 5124). We will only waive the attendance requirement for COVID related absences for SY 22-23.
