

EDMODO Permission Slip

We will be using Edmodo in and out of class this year. Edmodo is a free and secure learning network for teachers, students, and schools. It provides a safe way for us to connect, share content, access homework, participate in discussions and receive class information.

Edmodo is accessible online and through any mobile device with Internet capabilities – including free apps for Apple and Android devices. Students can access their account from any mobile device or computer, and set up notifications within Edmodo to receive alerts/reminders via text or e-mail. Edmodo will not be used as a social network like Facebook.

This tool will be used **strictly for educational purposes** using the following guidelines:

- ◆ Students will be required to use appropriate grammar instead of texting language.
- ◆ Edmodo does not allow private student-to-student messaging - the site will be used to discuss school-related content only.
- ◆ No put-downs or sarcasm toward another's ideas. All school rules and consequences related to harassment apply.

Students who violate the guidelines above may face disciplinary action and/or face losing the privilege of using Edmodo.
