HOMEBOUND REFERRAL PROCEDURES CHECKLIST

PLEASE READ CAREFULLY:

Homebound forms for the current school year have been revised. **Use only forms in Homebound Referral Packages for the current year.**

In an effort to assist in putting together complete Homebound Referral Packages, you will find checklists of needed data for specific referral packages listed below. **Please use the appropriate checklist to guide you.**

Please attach this checklist to the completed Homebound Referral Package and fax the package to the Homebound-Hospital Education Center (336.727.2788) or hand deliver to the center located at 2020 East 12th. Street.

Please be aware that a homebound teacher cannot be assigned to a student until all parts of the Referral Package are present. With a complete package, the assignment of a homebound teacher normally takes place within twenty-four hours. An email will confirm each homebound placement. DO NOT HESITATE to email or phone with your questions or comments.
