

Andrews Counseling & Consulting, PLLC.

In North Carolina,
17% of Adults
10% of Youth

struggle with issues ranging from clinical depression to substance abuse.

Behavioral Health School Groups

Serving Forsyth County Schools

What We Do

Recognizing the link between a person's behavioral and physical health, Andrews Counseling has become a premier provider of behavioral health services, providing culturally competent services to individuals served.

Why Choose Us

We are a multi-disciplinary group including psychologists, doctorate level therapists, masters level therapists, psychiatric nurses, and addiction counselors who have been providing high quality behavioral health services to children, adolescents, adults and geriatric populations since 2013.
